

Conflict of Interest Statement

The author declares no competing financial interests or personal relationships that could have appeared to influence the work reported in this paper.

I certify that I have no affiliations with or involvement in any organization or entity with any financial interest or non-financial interest in the subject matter or materials discussed in this manuscript.

This research did not receive any specific grant from funding agencies in the public, commercial, or not-for-profit sectors that might constitute a conflict of interest.

All experimental designs and theoretical frameworks were developed independently with no proprietary influences or commercial considerations.
